› CITROËN C4 PICASSO

Powerful and striking halogen twin-optic headlights and daytime-running LEDs create a uniquely fresh face for the Citroën C4 Picasso. The elegant sweep of the double chevron grille is unmistakably Citroën, while at the rear you'll see smoothly sculpted rear lights flanking the clamshell tailgate.

OUTSIDE ELEGANCE.

WALK AROUND CITROËN C4 PICASSO AND GRAND C4 PICASSO AND YOU'LL INSTANTLY SENSE TWO DISTINCT PERSONALITIES.

THE CITROËN C4 PICASSO IS A BALANCE OF COMPACT DYNAMISM FROM ANY ANGLE. AS YOU EXPLORE THE GRAND C4 PICASSO YOU'LL FIND THE SAME BOLDNESS AND HIGH QUALITY DETAILING BUT WITH ADDED VOLUME, PRESENCE AND SIGNATURE FEATURES.

> CITROËN GRAND C4 PICASSO

Glance at the face of Citroën Grand C4 Picasso and its character is instantly clear. The front bumper is more deeply sculpted between the headlights, while the chrome chevrons completely surround the LED Daytime Running Lights. A sweeping graphite grey band, standard on Exclusive and Exclusive+ versions, optional on VTR+, runs from the A pillar, across the integrated roof bars and down the rear wing, accentuating the higher roofline. The rear light clusters have their own distinctive twin-level design.

INSIDE BRILLIANCE. WELCOME TO HIGH DEFINITION LUXURY AND SPACE. SETTLE INTO THE BEAUTIFULLY TRIMMED PREMIUM QUALITY INTERIOR AND YOU'LL NOTICE THAT THE ADVANCED, SIMPLE DASHBOARD IS BASED AROUND TWO CRYSTAL CLEAR SCREENS.

THE LOWER 7" SCREEN PLACES ALL ESSENTIAL FUNCTIONS AT YOUR FINGERTIPS, WHILE THE UPPER 12" SCREEN BRINGS YOU A HIGH DEFINITION VIEW OF VITAL DRIVING INFORMATION. EVERYWHERE INSIDE THERE ARE PRACTICAL INNOVATIONS TO MAKE THE BUSIEST LIVES MORE RELAXED.

› SMART SPACES

The centre console on 6-speed manual models provides a large storage area with roller blind. There are also twin cup holders and a mobile ashtray. On automatic and ETG6 versions, the whole console can also be removed to create easy access between the two front seats. Wherever you sit in Citroën C4 Picasso or Grand C4 Picasso you're well looked after, with generous storage pockets and even discreet spaces under the front seats and in the rear foot wells for valuables.

› SENSUAL JOURNEYS

The sense of bright spacious tactility is all encompassing in both Citroën C4 Picasso and Grand C4 Picasso. Huge panoramic windscreens let light flood in over the elegant two-tone dashboard and finely honed meticulously trimmed details. These are vehicles that believe versatile and luxurious belong together.

➤ 5 SEAT LUXURY. 5 STAR VERSATILITY

Although it's more compact on the outside than before, the Citroën C4 Picasso provides extra space and flexibility everywhere. Boot space has gone up 37 litres and is expandable to a roomy 630 litres, thanks to a 6cm increase in wheelbase. The beautifully trimmed rear seats are shaped to welcome three in real comfort, with each position sliding backwards and forwards and reclining independently. A clever foldaway table fits into the front seat backs. There's no second class in the C4 Picasso.

Model shown C4 Picasso

7 SEAT COMFORT. SUPREME FLEXIBILITY.
THE CITROËN GRAND C4 PICASSO'S SWEEPING PROFILE SURROUNDS A RELAXING, HIGH-TECH INTERIOR FOR 7. THANKS TO THE LONGEST WHEELBASE IN THE CLASS AND INNOVATIVE THINKING EVERYWHERE, THIS IS TRAVEL WITH AN EXTRA DIMENSION.

THE SPACE AVAILABLE IS IMPRESSIVE HOWEVER YOU DECIDE TO USE IT. WITH 2ND AND 3RD ROW SEATS FOLDED, THERE'S AN AMAZING 2,181 LITRE LOAD CAPACITY. A STYLISH, WIDE OPENING TAILGATE MAKES IT EFFORTLESSLY ACCESSIBLE.

› THE INNOVATION ROOM

The two comfortable 3rd row seats can be raised or lowered with one hand in an instant, while the two outer 2nd row seats can be moved fore and aft for easy access. They also have a 'cinema mode' that raises the base in an upright position and fold out covers on the seat backs provide an uninterrupted flat load area. There's a configuration for everyone and everything...

> COMPLETE CONNECTIVITY

Citroën Multicity Connect brings you the effortless convenience of a 3G connected multimedia tablet and GPS system all in one. Seamlessly integrating the latest technologies, the system allows you to enjoy your favourite apps whilst planning the best journeys – wherever you're heading. Specially developed by Citroën, it transforms the 7" Touch Drive into a comprehensive media and control centre, with fingertip access to a huge range of services and features such as TripAdvisor, Wikipedia, traffic and weather news, social media and email. It's a model of simplicity too. Just plug in the USB key and go. Intuitive, safe and reliable, Citroën Multicity Connect transforms life on the move.

SIMPLY SOPHISTICATED. CITROËN C4 PICASSO AND GRAND C4 PICASSO PUT INTUITIVE TECHNOLOGY AT THE HEART OF EVERY JOURNEY, MAKING THEM SIMPLE, SAFE AND ENJOYABLE.

FROM AIR CONDITIONING TO COMMUNICATION AND PINPOINT NAVIGATION, EVERYTHING IS EASY TO USE, INTEGRATED AND ADVANCED. YOU DON'T HAVE TO THINK ABOUT IT, JUST ENJOY THE PURE SIMPLICITY.

> TOUCH AND GO

It begins on foot. There's no need to get your keys out, because the vehicle detects the electronic key fob as you approach. Simply touch the door handle to get in and touch the Start/Stop button to get going.

> PARKING PERFECTED

Parking is now a sophisticated art form with Park Assist. This active parking aid first detects a suitable space then guides the vehicle in. All you need to do is select reverse, accelerate and brake. The whole process is accompanied by an audible warning signal and crisp sharp images sent from a reversing camera to the 12 inch panoramic screen.

CARRER
DE LA
SELVA DE MAR

NEWTECC

GRAND C4 PICASSO

SAFER THAN EVER. CITROËN C4 PICASSO AND GRAND C4 PICASSO TAKE SAFETY TO THE NEXT LEVEL. THEY KNOW HOW TO LOOK AFTER YOU.

Euro NCAP assessed: C4 Picasso

EACH PIONEERING ADVANCE IS DESIGNED TO GIVE YOU THE CONTROL, INFORMATION AND NO-COMPROMISE PROTECTION YOU NEED TO STAY TOTALLY SAFE.

> SEE IT ALL

If someone moves into that critical area where it's difficult to see using mirrors, the blind spot monitor activates. This system detects vehicles up to three metres away and activates a bright orange warning light housed in the wing mirror on the relevant side. It's like an extra pair of eyes on the look-out at all times.

> JUST FAR ENOUGH

An advanced active cruise control system senses when the car in front slows down and automatically adjusts your road speed. Now you can keep a safe distance in moving traffic without making continual adjustments. The system controls acceleration and deceleration within a 15mph speed difference to the vehicle ahead. The active mode can also be deactivated and reactivated by the driver.

> PERSONAL SAFETY CAMERA

A tiny camera mounted in the base of the rear view mirror automatically dips your headlights when it sees an oncoming vehicle then reverts back to main beam. The camera also senses when white lines are crossed accidentally and alerts you with vibrations through the seat belt.

THE ENVIRONMENTALISTS.

CITROËN C4 PICASSO AND GRAND C4 PICASSO ARE DESIGNED TO ACHIEVE MINIMAL ENVIRONMENTAL IMPACT. EVERY DETAIL PLAYS ITS PART.

AT THE HEART OF EACH MODEL YOU'LL FIND ENGINES WITH CLASS LEADING CO₂ EMISSIONS SUCH AS THE e-HDi 90 ETG6 WHICH PRODUCES JUST 98G/KM CO₂.

› EFFICIENCY, ECONOMY, ENJOYMENT

The extraordinary e-HDi and BlueHDi engine range uses micro-hybrid technology to achieve benchmark efficiency and economy. The latest ultra-smooth Stop & Start system automatically shuts the engine down as you stop and then restarts it when you release the brake pedal. It's perfect for city driving and helps to cut both CO₂ and fuel consumption. Every diesel model benefits from filters that remove particulate pollution from exhaust gases.

DEFINING DIVERSE. CITROËN C4 PICASSO AND GRAND C4 PICASSO ARE WHATEVER YOU WANT THEM TO BE. SUPREMEYLY VERSATILE, STYLISH AND ADVANCED, THEY ENCOMPASS THE ESSENTIAL AND THE DESIRABLE IN TWO DISTINCTIVE SHAPES.

THERE ARE FOUR INSPIRING TRIM LEVELS THAT EACH OFFERS A UNIQUE BALANCE OF FEATURES, AESTHETICS AND FINE DETAILS. EVERY VERSION IS GENEROUSLY SPECIFIED. ONE WILL FIT BEAUTIFULLY INTO YOUR LIFE.

VTR

A FLYING START

HERE'S A RANGE THAT SETS NEW STANDARDS RIGHT FROM THE START. BROWSE THE BRILLIANT SPECIFICATION BELOW AND WE THINK YOU'LL AGREE.

> VTR SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- Electronic Stability Control with traction control

FEEL GOOD. FEEL UNIQUE. ACCESSORIES NEED TO INTEGRATE PERFECTLY WITH THE QUALITY AND STYLE OF YOUR CITROËN. THEY NEED TO BOOST COMMUNICATIONS, INCREASE PRACTICALITY OR SIMPLY LOOK BRILLIANT. WE MAKE CERTAIN THAT THEY DO.

FIND YOUR ULTIMATE ACCESSORIES AT WWW.ACCESSORIES.CITROEN.CO.UK – HERE IS EVERYTHING YOU NEED, MADE WITH THE SAME CREATIVITY AND CARE AS YOUR VEHICLE.

› DIGITAL RADIO

The Citroën EziDAB has been designed to upgrade your existing car stereo to receive outstanding digital reception. Enjoy many extra digital radio channels and be ready for the digital switch over.

› 1 ROOF BARS

Citroën traversing roofbars are designed to match the contours of your Citroën C4 Picasso or Grand C4 Picasso and can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

› 2 ROOF BOXES

Citroën roof boxes are available in 280, 340, 370 or 430 litre capacities and enable you and your family to have a more relaxing journey with increased comfort on day trips and holidays with all your clutter hidden away on the roof.

› 3 ISOTHERM MODULE

Keep your food and drink either warm or cold on the move in your C4 Picasso or Grand C4 Picasso.

› 4 CARPET MAT SET

With a made-to-measure design that makes them easy to fit and maintain, Citroën mats work in harmony with the interior lines of your C4 Picasso or Grand C4 Picasso.

› 5 TOWBARS

Citroën towbars have been developed to ensure the highest standards of safety and strength. Fixed swan neck towbars are available along with demountable towballs.

› 6 BOOT MATS

Designed for ease of use and to perfectly fit your Citroën C4 Picasso or Grand C4 Picasso, Citroën boot mats will provide you with protection against dirt and stains.

EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUELEFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL...

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi AND BlueHDi ADD NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND ETG6 GEARBOX. STOP & START PUTS THE ENGINE INTO IDLE MODE AS YOU DECELERATE AND STOPS ALTOGETHER AS YOU COME TO A HALT. THE MOMENT YOU TAKE YOUR FOOT OFF THE BRAKE, IT RESTARTS SILENTLY AND WITHOUT VIBRATION. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO₂ EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Efficient Tronic Gearbox (ETG6), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

Citroën is a leader in the manufacture of low CO₂ emissions vehicles and has been awarded the GreenFleet City Car Manufacturer of the Year.

› SETTING NEW STANDARDS

Demonstrating Citroën's commitment to Créative Technologie, the BlueHDi 150 engine is Citroën's first SCR (Selective Catalytic Reduction) equipped BlueHDi engine. This is the most efficient DeNOx system on the market, eliminating up to 90% NOx. This system also cuts CO₂ emissions between 2% to 4% compared to Euro 5 engines. This range topping, Euro 6 compliant power plant offers strong performance of 148bhp and produces just 110g/km CO₂.

› ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

All Citroën vehicles are designed to be 85% recyclable.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR CITROËN C4 PICASSO OR GRAND C4 PICASSO, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN FINANCIAL SERVICES

PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING

HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Limited which is authorised and regulated by the Financial Conduct Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN C4 PICASSO AND GRAND C4 PICASSO ARE NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

GLOSSARY

> e-HDi ENGINES

The e-HDi 90 ETG6 engine is capable of 74.3mpg and CO₂ emissions of just 98g/km combined with the ETG6 gearbox. It has a reversible starter-alternator that works in tandem with an e-boost to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

> PETROL ENGINES

Part of Citroën's range of state-of-the-art engines, THP petrol powertrains are friction optimised and benefit from an inlet camshaft variable valve timing system that constantly measures the pressure on the accelerator and precisely regulates the quantity of air entering the cylinders. VTi engines boast advanced variable inlet valve lift and exhaust camshaft variable valve timing systems whilst THP engines are turbocharged. This guarantees outstanding efficiency and allows for immediate response with plenty of low range torque available.

> PARK ASSIST

An advanced active parking aid, Park Assist finds a suitable space then smoothly guides Citroën C4 Picasso and Grand C4 Picasso into it. All you have to do is engage reverse, accelerate and brake. Audible signals and a clear picture on the 12" panoramic screen let you know what's happening every inch of the way.

> LANE DEPARTURE WARNING SYSTEM

The Lane Departure Warning System keeps you on course. It uses a miniature camera integrated into the base of the rear view mirror to monitor when white lines on the road have been crossed and sends vibrations through the driver's seatbelt. It's like an extra pair of eyes, looking out for you on every journey.

> PARK ASSIST 360

Park Assist 360 provides all-round vision from four cameras. It's perfect for hassle-free parking manoeuvres in the tightest spots and further enhances the automated Park Assist system.

> ELECTRONIC STABILITY CONTROL

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESC's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

> BLIND SPOT MONITORING SYSTEM

This sophisticated safety system detects vehicles approaching from behind up to three metres away. When they are in a place where you cannot easily see, Blind Spot Monitor triggers an orange light that illuminates in the wing mirror on the relevant side.

> INTELLIGENT BEAM HEADLIGHTS

A miniature camera mounted in the base of the rear view mirror dips your headlights when it senses an oncoming vehicle. As soon as the vehicle has safely passed, it switches straight back to main beam.

> ACTIVE SEATBELTS

Active seatbelts vibrate when the vehicle senses that you've accidentally crossed the white lines and for ESC and cruise control alerts. They also pre-tension if a collision is anticipated.

DIMENSIONS
